

**Langegard Pumporgan**  
**for NI Kontakt, HALion, EXS24, SFZ & SoundFont**

The “Langegard Pump Organ” is a 5 octave Swedish pump organ chromatically sampled and recorded in stereo. You get 2 different sounds with notes and release samples, as well as noise samples (*separate sounds of the pumping and more...*) for maximum realism.

The SampleSet contains 280 24bit WAV files.

7 programs for all versions of Steinberg HALion

3 programs for Logic EXS24

7 programs for NI Kontakt v1 and v2

1 program for NI Kontakt v3 and v4

7 programs in the SFZ format (*Free SFZ player, Cakewalk Dimension Pro*)

5 programs in the SoundFont format (*16bit*)

*The SoundFont versions are 100% compatible with all virtual samplers supporting the SoundFont format.*

## Langedard pumporgan for NI Kontakt 3 and 4

***This updated, additional file in NI Kontakt 3 and 4 format requires the full version of NI Kontakt 3 or 4 and does not work fully with the free Kontakt player!***

### **Articulation:**

Pulldown menu with the available articulations, the name of the selected articulation is visible. Articulations can also be selected by keyswitch. Organ 1 = C1 Organ 2 = C#1 FX = D1

## Licence agreement

All content on CD/DVD-ROM and in downloadable SampleSets available from Precisionsound and other resellers are licensed, not sold, to you, the single user. Precisionsound is the owner or master licensee of the content.

The payment you make to purchase the SampleSets containing the content gives you the non-exclusive right to use the content in any music and/or audiovisual media production, such as a soundtrack, music production, television show, live/playback show, advertisement, computer/videogame.

The music demos are © Copyrighted and shows how different content from downloadable SampleSets and CD/DVD-ROMs can be used. Any use of the demos found at Precisionsounds website or on a reseller's website requires written permission from Precisionsound.

You may not distribute, sell, re-sell, lend, rent, lease, give away, sublicense, assign, or otherwise transfer any of the content except as part of, and incorporated in a production. You may not distribute the content, either in native format or reformatted, filtered, re-synthesized or otherwise edited or treated, for use as samples, loops, multi-samples as programs or patches in a sampler or sample playback unit. The content cannot be used as source playback from ROM or chip sets or embedded in any chip set. Only the original purchaser has the right to use the content in their production.

You will not spread unlock codes for downloaded SampleSets "\*.exe/zip/rar" files to any other person and you have to keep such codes confidential.

If you become aware of any unauthorized use or distribution of Precisionsound content, please notify Precisionsound immediately via E-mail at [info@precisionsound.net](mailto:info@precisionsound.net)

Violation of this agreement will be pursued to the fullest extent of the law.
